

Our Company

Originating as a specialized upholstery shop, Ehrlich's has expanded over the years into a full-service design firm. Offering everything from reupholstery and window treatments, to home and office renovations. We have the expertise and experience to manage it all for you.

Reupholstery & Window Treatments

We pride ourselves on our specialties; custom reupholstery and window treatments. With expert craftsmanship and perfection — we back that promise with a 10-year guarantee.

Professional Interior Design

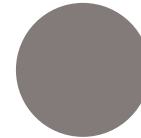

Completely custom and personally catered to your decorating needs; from new residential or commercial furniture to flooring and wall coverings, and much more.

In-Home/Office Consultation

We feel that the best way to help you select fabrics and styles for your furniture and window treatments is in your home or office.

About Jill

Jill Jarvis started in her family business over 25 years ago. As a child around age 14, she started going to the factory and watching where it all began. We guess you could say, she worked from the bottom up. In 1996, she opened a showroom where clients comfortable picking out their material, a new piece of furniture, or a beautiful custom window treatment.
